

TIMEA SZABO

ARCHITECTURAL PLANNING

I believe conceptual thinking is the best way to create value. I love to focus on coherency yet stay detail-oriented through the whole designing process.
ArchiCAD & Autocad.

LAYOUT DESIGN

My passion is to create stunning designs because genuine impression matters.
Photoshop, Indesign, Illustrator & Prezi

3D MODELING

I'm efficient at making detailed models supporting the representation of the concept.
Sketchup, Artlantis, 3DS Max

PROJECT MANAGEMENT

I do action, list, rank, check, deal, cope, care, handle, organize, schedule, sketch, settle, & rearrange so get things done.
Office, MS Project, CRM
