

# ART MARKET 2012: BUDAPEST

## RECOMMENDATION LETTER

To whom it may concern:

Herewith I would like to confirm that Timea Szabo participated at the ART MARKET BUDAPEST 2012. Timea came across as a smart and expeditious assistant while she was part of the voluntary team where she contributed to the success of the team with a great working attitude.

Ms. Timea Szabo worked at the info point and VIP registration where she was responsible for the orientation of the visitors. Timea dealt with every person and issue carefully and neatly.

I was impressed with her communication skills and competency working as a team member. I very much enjoyed working with Timea and believe that she is a pleasant colleague to work with.

Sincerely,

Attila Ledenyi

director
